- Phone: 1300 10 10 69 (during business hours)

3. What We Will Do For You

Kameleon Group gives Specialist Behaviour Support. This can include:

- Looking at your behaviour and understanding why it happens.
- Making a Behaviour Support Plan with you.
- Helping your carers and support workers understand your plan.
- Checking how your plan is going, and updating it.
- Writing reports when needed.
- Talking with your family, carers and other services who support you.

Your support will always be about you and your needs.

4. Money and Prices

The NDIS sets the highest price a provider can charge. We will never charge more than this.

- Behaviour Support costs \$252.99 per hour.
- If our worker needs to travel to see you, travel costs \$126.50 per hour. This is half the usual price.
- Prices might change if the NDIS changes them. We will let you know if this happens.

We only charge for support that we give you. The next section explains what happens if you cancel.

5. Cancelling a Visit

Sometimes you may need to cancel a visit.

- Please tell us at least 2 business days before your visit.
- If you cancel later than this, or you are not there for your visit, we may still need to charge for it.
- We will only do this when the NDIS rules allow it.

6. When We Visit Your Home

If we come to your home, we ask for:

- A safe, clean and quiet space to work in.
- A parent or carer nearby, unless you have said it is okay to be alone.
- Everyone in the home being safe and respectful during the visit.
- Telling us if anyone in the home is unwell.

7. Paying For Your Support

- We will ask for payment after we give you support.
- Payment is due within 7 working days.
- If your plan is managed by the NDIA, they pay us.
- If your plan is managed by a Plan Manager, they pay us.
- If you manage your own plan, you pay us.

8. If Things Need to Change

Sometimes your support may need to change.

- Small changes can be agreed by talking with us.
- Bigger changes, or changes that cost more, will be put in writing.
- If NDIS prices go up, we may need to charge the new price.

9. If There Is an Emergency

We have a plan to keep supporting you if something unexpected happens, like a disaster.

- We may support you by phone or video call instead of in person.
- If your usual worker is not available, we will find another worker to help you.

10. Ending This Agreement

You can stop this agreement at any time. This is your choice.

- We ask for 2 weeks' notice if possible. This helps us plan a smooth ending.

If you are unhappy about something, you can tell us.

Making a complaint will never stop your support. You can bring a support person or advocate to help you.
